

It is with great joy that we announce an answer to prayer and the coming of a blessing. We have been notified by the Inter-Country Adoption Board of a match with a baby girl to add to our family. We will call her

Rachel Brianna Joy Johnson

Rachel was born on the 9th of February 2005 at Vincente Sotto Memorial Medical Center in Cebu City, Republic of the Philippines.

We thank God that her birth mother chose life for this precious little girl in spite of circumstances. She was born naturally with no complications, weighing in at 2.325 kg (5 pounds, 2 ounces). She grew to 4.4 kg (9 pounds, 11 ounces) by May. We eagerly look forward to the time when her new Dad and Mom can fly to Manila and bring her back home to be with us.

*Please pray for:

Godly wisdom for all of us.
